PLP meeting, 14 November 2011

Chair's agenda

Colleagues will be aware of the terrible news that Alan Keen has died. The PLP Office has circulated Ann's address for colleagues who wish to send condolences. Funeral details will be circulated in the coming days. We will pay full tribute to Alan in the coming weeks.

1. NO Minutes of Parliamentary Committee and Shadow Cabinet

Trade union link

There has been some pressure from Tories in the chamber on Labour MPs to issue apologies for speaking up on behalf of the union to which they belong.

Key message:

- You do not need to declare your membership of a trade union.
- Your local party should declare donations to your local campaign.

2. Forthcoming Business, Chief Whip to report

3. Announcements

Please be aware that only two vacancies were received for the Treasury Select Committee vacancies so Pat McFadden and Teresa Pearce were duly elected to fill those vacancies.

4. Yvette Cooper

5. Any other business
